Departure from Ambatoloaka beach southwest of Nosy Be at 08:30, towards Nosy Komba for a short 20-minute speed boat trip. On land, a magnificent discovery of the island for a maximum of 1:30 will be organized through the visit of the craft village with its embroidery market and wooden crafts and visit the mini park in which you will appreciate the endemic species from the island such as the famous local lemur macaco lemurs, BOA constrictor snakes, chameleons and various land tortoises. Then from Nosy Komba destination to Nosy Tanikely in 15 minutes ride, this is the marine reserve with a beach white bordered by a crystalline sea surrounded by a coral reef, an island whose summit a lighthouse from 1906 offers an exceptional view of Nosy-Be, NOSY-KOMBA and Madagascar, inside a small forest in Sauve mouse just waiting to be contemplated, a marine park in which you can observe a few meters deep various marine animals and multicolored such as sea turtles, starfish or poi his clown. An ideal place for lovers of swimming, sunbathing and idleness at the beach and including snorkeling.

Finally at noon, a typical and hearty lunch will be served on the beach. Return around 15 h.
