

RADAMA ARCHIPELAGO

DISCOVERY CRUISE PROGRAM AT RADARS ARCHIPELAGO

ON 5 DAYS / 4 NIGHTS

1st day: Boarding at 9am and heading **Tanikely** underwater reserve 1 hour sailing. It is in a natural aquarium that you will leave with palms masks and snorkels to meet sea turtles and fish of the Indian Ocean. Lunch on board and sailing to the historic site of the Bay of the Russia, 4 hours from sea. This estuary, refuge of sailors of all time offers an ideal anchorage for the night. Dinner and overnight on board.

2nd day: Early departure for the first island of Radames, **Kalakajoro** about 6 hours sailing. To the northeast is a beach of white sand lined with filao trees in front of which you will drop anchor. At two fathoms begins the coral reef to discover in palms masks and snorkels. Dinner and overnight on board.

Day 3: Breakfast and navigation to **Antany Mora** at 1:30 of sea. At the back of the beach in the heart of wild vegetation, nestles a fishing village. Welcoming and friendly villagers will make you discover a traditional way of life. Dinner and overnight on board.

4th day: Cap au Nord to **Baramamahay**, 6 hours of sailing to arrive in the estuary which is home to many rare birds. Visit the village and, at high tide, upstream river as an annex to the meeting of an exceptional fauna. Dinner and overnight on board.

5th day: Departure for **Nosy Iranja**, turtle island, 1 hour sailing. You will discover an exceptional decoration of two green islands connected by a white sandbank. Swimming in limpid water. Lunch on board then return in the afternoon to Nosy Be.

The circuit can be modified according to the weather conditions or by decision of the customers in agreement with the captain.
